## *What is Play with Paint?*

Play with Paint is a creative 2hr event hosted by Kiri Honey and is designed as a way to help local women reconnect with their creative side, step outside their comfort zone and have some fun!

There are so many benefits to spending time getting creative and having fun which many of us have forgotten or simply don't prioritize. This is a way to bring it back.

It is also an invitation to those who don't see themselves as creative to play around with materials and see what they are capable of or simply to enjoy the process.
