

# **Kaharoa School - Ag Day**

## **Plant/Vegetable Booklet**

# Grow a plant

Having plants as an option at AG day provides an alternative to a lamb/kid/calf/chicken for children within the criteria of 'caring for something beyond yourself'. Also fitting within the agricultural theme. To be a practical, accessible alternative for children.

## Aim

To provide an alternative to a lamb/kid/calf/chicken for children within the criteria of 'caring for something beyond yourself'. Also fitting within the agricultural theme. To be a practical, accessible alternative for children.

## What/how

Children grow a vegetable or flower of their choice in a pot. Pot is presented on Ag Day.

# Judging

## Best Plant Overall

### Judging Criteria:

- Knowledge of plant type and needs
- Presentation of plant - biggest/lush growth/no dead leaves/bugs/decorated pot/plant
- Care - What have you learned, done to help it to grow (is it still alive)

Certificates for Preschool, Junior, Intermediate and Senior Plant/Vegetables 1st, 2nd and 3rd

## Most Improved Plant

### Judging Criteria:

- Before photo of the plant
- Awarded to the plant/vegetable that has made the most improvement

Certificates for Preschool, Junior, Intermediate and Senior Plant/Vegetables 1st, 2nd and 3rd
