Rural Community Board - Bielection

The Rural Community Board represent the rural communities across the Rotorua District. They are your voice to advocate for rural issues alongside the Rural Ward Councillor.

One of our Rural Board members has resigned, and so a bi-election process has begun. I would like to extend my personal thanks to Anker Hansen for his input and unique and insightful perspective. His voice will be missed around the table.

We have had two nominations for the Rural Board and so there will be an election process.

Voting is now open, and will close midday Thursday 19th October 2023.

Voting open now - post your voting papers back by 16th November 2023
