

Kaharoa Snapshot

17 May 2023

- **PTA 80s Night Cancelled** - Thank you to those who had supported the PTA 80's night that was scheduled for this coming Saturday and bought tickets. Unfortunately the ticket sales to date have been very low and so we have decided to cancel this event. If you had purchased a ticket we will be in touch regarding a refund soon. We have had some incredible items donated that we will still auction off in the near future so stay tuned!
- **Please see the attached health notice from the Rheumatic Fever Nurse at the Children's Health Hub, Rotorua** reminding parents to have sore throats or skin infections checked.
- **Kaharoa Kokako Trust Working Bee** - KKT are having a working bee and invertebrate assessment for autumn this Saturday, 20 May. Meet at the shelter at 796 Kapukapu Road at 9am. No entomological experience necessary! This should be a fun activity carried out over both the Onaia West and Aislabie blocks. They need quite a good turn out to ensure all the jobs get done. Please RSVP to gdy@outlook.co.nz so they can gauge catering needs, sort out jobs and so they have a contact list for communicating cancellations.
- **Kaharoa School Facebook** - We hope to share more classroom stories on Facebook this year so if you are a FB user, pop over now and then to hear about classroom learning and activities.

Recent Whole School Emails:

- **Kaharoa School Board - Casual Vacancy for a Parent Representative** (sent 16 May)
- **Cancelled: Kaharoa PTA 80's Night** (sent 16 May)
- **Dental nurses visiting Kaharoa School** (sent 16 May)
- **Kaharoa Snapshot** (sent 3 May).
