

23 July 2021

ROAD CLOSURE NOTICE TO RESIDENTS

**RALLYSPRINT EVENT
KAHAROA/PENNY ROADS
Sunday 26 September 2021**

Dear Resident

With the permission of the Rotorua Lakes Council, MotorSport Bay of Plenty would like to run the above event on

Sunday 26 September 2021

As advised in our visit, we would like to have road closure from the eastern end of Kaharoa Rd from the start of tarmac through to the junction with Penny Road, and Penny Rd up to the intersection with Te Waerenga Rd. This would be between the hours of 9.00am and 5.00pm.

During the day, there will be opportunities at the end of each competition run, when we bring the cars back down the hill, for access to and from properties affected. The time each competition run will take will depend upon how many entries the event attracts, but on average each run should take about 45-60 minutes. Whilst we would urge you if at all possible to use the time prior to 9.00am road closure to leave your property. If during the day you need access, please make contact with one of our marshals or ring the number below and we will accommodate your request as the program allows.

If you have any queries **prior** to the event, please phone:
Club Secretary: Joanne Kapua 022 174 3681

On the Day, please phone:
Clerk of Course: David Loughlin 021 917 866

There is no spectator area at this event due to the COVID Level 2 Restrictions. Thank you again for the opportunity to run this event.

Please keep this notice for reference.
