

# Kaharoa Snapshot

## 24 May 2023

- **Do you have a 3x2m floor rug needing a new home?** We are looking for a floor rug in good condition for use in a new student space. If you can help, please contact [astridr@kaharoa.school.nz](mailto:astridr@kaharoa.school.nz)
- **Spare clothes needed.** We appreciate parents sending a spare set of clothing in their children's bags in case they need to change due to weather or messy activities. However, we are looking for boys and girls pants and/or shorts in good condition size 5-14, for back-up clothes changes. If you are able to help, we would be very grateful. Please drop these items into the office.
- **Science in a Van** is visiting us next Tuesday, 30 May. They will present two shows, one for our juniors (forces in the physical world) and one for our seniors (states of matter, periodic table and material change). Thank you for paying your activity donations which has made this visit possible.
- **Please note there will be no internet at school** during the afternoon of 1 June while we get some of our network hardware updated.
- **Upcoming: Kaharoa School Cross Country** - this will be held together with the Rural Interschool Cross Country on 14 June.

### Recent Whole School Emails:

- **Kaharoa Snapshot** (sent 17 May).
