Bake Sale THIS FRIDAY!

Our Year 8 students are continuing the proud Kaharoa tradition of creating a legacy project that leaves a lasting mark on our kura. This year's project is an exciting new wall ball court, inspired by the fun and energy of sports camp! To help bring this vision to life, our 2025 project leaders are holding a bake sale on Friday 9th May. We kindly ask all Year 8 students to bring baked goods to school on Friday morning to contribute to the sale. Delicious treats will be available for purchase by the whole school, with prices ranging from \$2 to \$5.

Kickstart Breakfast Programme starts at Kaharoa

We're very glad to let you know that we've recently joined the KickStart Breakfast programme! KickStart Breakfast is a free programme where we will receive Sanitarium Weet-Bix and Anchor milk for our students to have access to at school.

Everyone is welcome to join our KickStart Breakfast programme for some kai, a chat and to connect with peers. The programme is a community partnership involving Fonterra, Sanitarium, and the Ministry of Social Development, which has been running in Aotearoa since 2009 and currently includes nearly 1,500 participating schools. Our Breakfast Club will be available two days a week at this stage, on Tuesdays and Fridays and we look forward to watching the programme grow in our school.

Pink Shirt Day - Next Friday, 16 May

We encourage students to wear a pink shirt (or other brightly coloured shirt) and **please bring a gold coin donation to show their support for the cause**. If you are interested, you can purchase an official PSD 2025 t-shirt from [Cotton On](#) online and instore.
