

# WORKS NOTICE

# HIGGINS®

Dear Resident / Business,

Higgins Contractors, on behalf of Waka Kotahi NZ Transport Agency, are carrying out road rehabilitation works along State Highway 36 between Kaharoa Road and Te Waerenga Road West.

Work will commence on **Wednesday 6 December 2023** and is planned to be complete by **Wednesday 20 December, with crews operating between 8am to 5pm each workday**. Lane closures, temporary stop/go traffic management and speed restrictions will be in place during work hours.

Please drive with care and expect minor delays. All temporary traffic management will be removed for the Christmas holidays before the team returns to the area to complete the road rebuild early in 2024. Further information for the remaining work will be sent out closer to the end of the year.

The road rebuilding process involves the removal of the current road structure, replacing it with a brand-new road.

Temporary traffic management, such as cones and speed restrictions will remain in place until the road has been swept and line marked. Please drive with care.

## YOUR SAFETY

Safety is our highest priority, and we ask that you please take extra care while our team is working on the road. Please respect the signs, cones and any instructions from our traffic control team.

## WEATHER & POSTPONEMENT

In the event of bad weather or other unforeseen circumstances, work may need to be postponed, delayed, and/or extended beyond the expected completion date.

## STAY UPDATED

For updated information keep an eye on the Waka Kotahi Journey Planner website [journeys.nzta.govt.nz](https://journeys.nzta.govt.nz).
