Submit works:	2-3 March 2026 at The Arts Village
Envirohub Movie:	27 March 2026 – Studio 1, time TBC
De-Install date:	4-6 April 2026

We aim to show the Rotorua community ways to recycle, re-use and upcycle textiles. As our landfills overflow with textile waste, emitting gas during decomposition, with some taking up to 300 years to decompose – We need to take action now!

This is a local Rotorua exhibition that has occurred every two years for about ten years, with a break during the pandemic. A small team of people are the organisers as follows:

- Annette Bates – Coordinator
- Nicola Wright – Marketing & PR
- Natascha Hartzuiker – Curator

This year we would like to invite Intermediate school children from Rotorua, to contribute by making a bag from recycled textiles, with the aim of reducing waste to landfills and being proud to re-use textiles be it clothing or otherwise. The bag size is restricted to 50cm square, not including shoulder straps etc. An example might be discarded tapestries and/or linen doilies, or denim clothing into bags. (See images below as examples). Please also see entry form below.

Sponsorship from Rotorua Civic Arts Trust, Creative Communities Scheme and Envirohub enables the full funding of this project.
