

## KAHAROA SCHOOL PTA CHARITY DRIVE - SUPPORTING OUR LOCAL TRINITY CENTRE IN NGONGOTAHA

The Trinity centre are doing a wonderful job supporting over 80 families from Ngongotaha, Mamaku and Ngongotaha who need a hand up in these tough times. We all know that personal circumstances change so quickly, any of us could need support from others at any stage in our lives. To see our Cornerstone Value of Consideration in action, the PTA would like to 'fill a trailer' of goodies to donate on the community's behalf. These will go into their shop where families come and buy items for a reduced rate.

### What can we donate?

Non perishable food items including - canned meals, condensed soups, tinned fish (see images beside for a few ideas), personal care items (deodorant,, sanitary items), treat items, good quality second hand clothing particularly children's winter clothing like pjs and socks, towels, baby care items such a wipes and nappies...

Frozen mince meat, financial donations...

**WHAT DO I NEED TO DO?** Please donate what you are able to do so from the list above. No amount is too small or great.

**WHEN:** Bring it along to school (or the Sharing Shed at The Gully School - 3 McFetridge Drive) from the first week of Term 3. We will collect right up to parent interview nights on August 3rd and 4th. Or email [kathysnodgrass@kaharoa.school.nz](mailto:kathysnodgrass@kaharoa.school.nz) to organise a pick up or drop off point.

Thank you wonderful community! He rau ringa e oti ai - Many hands make light work.

**Consideration (Whai Whakaarotanga)** - 'Willingness to be kind, thoughtful and consider the interest of others before self.' *This means thinking of others.*
