

Learning in the Early Years

Come and join us for these three workshops in which we will look at learning in the early years. Feel free to enrol for one, two or all three workshops. Presented by Kathy Snodgrass, NE teacher.

Workshop one - Reading together - How can you help with reading at home? What are some key elements to making it enjoyable for all. DATE Thursday 5th November 5-6pm

Workshop two - Learning through play - What does this look like in the classroom and why is play so important? DATE Thursday 12th November 5-6pm

Workshop three - What should I expect when my child begins their school journey? A workshop detailing the day to day life in the classroom and how we can support that important transition from ECE to primary school. DATE Thursday 19th November 5-6pm

Please register your interest with me (kathys@kaharoa.school.nz) before the 29th of October so I can plan for numbers. We can also provide child care, so please inform us if you will need this service too. Looking forward to meeting with you soon.

Nga mihi
Kathy
